

THINK.4U CHARITABLE TRUST **(Love in action, Care with Compassion)**

1. Introduction

The **Think.4U Charity Foundation Trust** is a non-profit, non-governmental organization established with a mission to **empower communities through education, skill development, health awareness, and social welfare initiatives**. The Trust aims to create a sustainable and inclusive society by fostering human values, compassion, and opportunities for all. Our motto, “**Think. Empower. Uplift.**”, reflects our belief that meaningful change begins with thoughtful action.

2. Vision Statement

To build a compassionate, educated, and self-reliant society where every individual has the opportunity to lead a dignified life.

3. Mission Statement

- To promote **education for underprivileged children** and youth.
- To empower **women and rural communities** through skill development and entrepreneurship programs.
- To support **healthcare initiatives**, particularly in preventive and mental health awareness.
- To foster **environmental sustainability** through awareness drives and green practices.
- To partner with organizations, institutions, and volunteers for scalable social impact.

4. Objectives

1. Provide scholarships, learning materials, and mentoring support to economically weaker students.
2. Organize health camps, blood donation drives, and awareness programs on

hygiene and nutrition.

3. Conduct vocational training for youth and women to enhance employability.
4. Initiate programs for environmental protection such as tree plantation, waste management, and clean-water projects.
5. Establish digital literacy centers in rural and semi-urban areas.
6. Collaborate with corporate CSR wings, government bodies, and NGOs for social upliftment.

5. Target Beneficiaries

- Children from underprivileged backgrounds
- Women and youth seeking skill-based employment
- Rural and tribal communities
- Senior citizens and persons with disabilities
- Schools, orphanages, and shelter homes needing developmental support

6. Key Focus Areas

Focus Area	Example Initiatives
Education & Learning	School adoption, e-learning support, scholarship programs
Women Empowerment	Tailoring, craft, and self-help group training
Health & Hygiene	Medical camps, mental health awareness, menstrual hygiene drives
Environment	Clean-up drives, tree plantation, waste recycling awareness
Social Welfare	Disaster relief, community kitchens, clothing and food donation

7. Proposed Activities (2025–2026)

1. **Think Smart Education Drive** – Distribute 500+ school kits and books to rural students.
2. **Skill4Her Program** – Vocational training and entrepreneurship.
3. **Health4All Campaign** – Conduct monthly health and hygiene awareness sessions.
4. **Green Future Initiative** – Plant 2,000 saplings in local communities and schools.
5. **Digital Minds Project** – Digital literacy workshops for rural youth.
6. **Think4Change Volunteer Program** – Build a 100-member volunteer network for outreach activities.

8. Governance and Management

The Trust will be managed by a **Board of Trustees** consisting of professionals, educators, and social workers committed to transparency and accountability.

Key Roles:

- **Managing Trustee / Chairperson:** Strategic vision, partnerships, and fundraising.
- **Secretary:** Program implementation and administration.
- **Treasurer:** Financial management and reporting.
- **Advisory Members:** Experts from education, health, and social sectors.

9. Legal and Financial Details

- **Nature:** Public Charitable Trust (Non-Profit Organization)
- **Proposed Registration:** Under Indian Trusts Act, 1882
- **PAN & Bank Account:** To be obtained post-registration
- **Funding Sources:** CSR partnerships, grants, donations, membership contributions, and fundraising campaigns
- **Transparency:** Annual audit, activity reports, and financial disclosures

10. Expected Outcomes

- Improved educational opportunities for 1,000+ children annually
- Sustainable income for 200+ women through skill programs
- Better health awareness and sanitation in 20+ communities
- Increased environmental awareness among local youth
- Strengthened volunteerism and community participation
