

Ms. Madurakola Malavika
Founder & Chairperson

Ms. Madurakola Malavika is an accomplished academician, startup mentor, researcher, innovation strategist, and social entrepreneur, currently serving as Head Innovations & Entrepreneurship at Vignan Group, Hyderabad. She is dedicated to nurturing innovation, entrepreneurship, research, and industry-academia collaboration.

She is the Founder & Chairman of Think.4U Charitable Trust and Founder of Think.4U Technologies, working towards empowering youth, women innovators, students, and aspiring entrepreneurs.

As a startup mentor, she has mentored 80+ startups, supported entrepreneurs through guidance and investment, and has 159+ mentees actively working on startups at the national level, with a professional network of 1,500+ founders.

She is a Mentor on the Women Entrepreneurship Platform (WEP), a NITI Aayog initiative, and a mentor at SAYUJ – The Startup Community Network. She is also associated with TiE Hyderabad and various national and international academic and research organizations.

A prolific researcher, she has contributed to 20+ Scopus-indexed journals and international peer-reviewed publications, along with books, book chapters, editorial and peer-review activities. She has served as an Advisory Board Member for international journals and has contributed to innovation through patents in AI-enabled work culture and employee performance measurement.

She has received recognitions including

	the Best Women Faculty Excellence Award and Best Young Researcher Award. Her vision is to build sustainable innovation ecosystems that transform education, research, and ideas into impactful entrepreneurial ventures for nation-building.
